## Please note that a CTX 820 remittance file is forwarded to the receiving bank for each ACH payment. An optional email remittance report is available upon request for those who do not retrieve the CTX 820 remittance detail file from their bank. Currently, this month-to-date report is generated daily even though a payment may not have been processed.

Please return this form to and contact Disbursement Services at <u>dspayments@vanderbilt.edu</u> for any questions or concerns about this form or the ACH payment process.
